Thoraxklinik Heidelberg provides exceptional medical care for the diseases occuring most frequently such as, e.g., lung cancer, pulmonary metastases, or emphysema. But this highly specialized clinic also offers all medical treatment options for rare and complex disorders.

You will find a brief presentation of the **Thoraxklinik departments**, the main areas of expertise listed under **diseases**, and the **diagnostic/treatment modalities** depicting our broad spectrum of medical services.

If you do not find the information you are seeking, please **contact us**.
